

## EPIF BOARD MEMBER BIOGRAPHY

**Krzysztof Korus (PONIP)**  
Associate Member

---

### **Krzysztof Korus**

Dr Krzysztof Korus (PhD) is an attorney in law and an economist. He is the founder and partner of DLK Legal. Since 2015, he has been recommended by Chambers Europe and Chambers Fintech as the expert in banking regulatory affairs and financial technologies in Poland. He has advised major Polish and international banks and other financial institutions. He is a pioneer in advising on regulatory issues for the fintech sector in Poland.

Krzysztof is a Board Member of EPIF (European Payment Institutions Federation) and associate member of the European Payments Consulting Association in Frankfurt. He has participated in several major European and Polish working groups in the field of digital finance, crypto assets and open banking. He actively participates in Polish and EU legislative procedures on behalf of Polish and European industry bodies. He co-authored the “Study Impact of the PSD” and “Principles, Definitions and Model Rules of European Private Law” for the European Commission, and sat on the programming council for the monthly “Banking Law Monitor”. He has written several dozen publications, legal analyses, and commentaries and spoken at numerous industry events in Poland, Europe, the US, and Asia.
