

**Fanny
Rodriguez**
General Secretary
and COO, Fintecture

Fanny Rodriguez joined Fintecture in April 2022. She was nominated in July 2022 as General Secretary and COO, reporting directly to the CEO.

Fanny is appointed by the European Commission as European expert, member of the PSMEG (Payment Systems Market Expert Group).

She is a ETPPA (European Third-Party Providers Association) and AFEPAME (French Association of Payment Institutions) board member. She is an active member of the EPIF (European Payment Institutions Federation).

Fanny is involved in the CNMP (French National Payments Committee) working groups chaired by the Banque de France and the ACPR. She previously worked more than 2 years for Bankin' (B to C brand) / Bridge (B to B brand) as Head of Public Affairs.

Fanny Rodriguez also worked for 15 years for Societe Generale. From 2015 to 2019, she was Senior Adviser for Payments and Liquidity Management Solutions. She was leading the PSD2 (Payment Services Directive) Global Steering Committee of Societe Generale Group (retail and corporate departments).

At a French level, she was a member of the FBF (French Banking Federation) payment experts working group. At a European level, she was a member of the EPC (European Payment Council) task force on access to payment bank accounts and of the Berlin Group NextGenPSD2.

Fanny holds master's degrees from the University of Pantheon-Sorbonne (Paris I) and from the University of Bordeaux.
