

Hartwig Gerhartinger

**Senior Vice
President, Global Head
of Regulatory and
Government Affairs,
Paysafe**

Dr. Hartwig Gerhartinger is a dedicated payments industry professional, an expert in payment services and e-money regulation as well as in anti-money laundering legislation.

Hartwig advises Paysafe on regulatory matters, including payment services, electronic money regulations, as well as Anti Money Laundering (AML) and gambling regulation. He also has responsibility for governmental affairs, representing Paysafe with policy makers and regulatory authorities globally. He is also Managing Director of paysafecard.com, part of the Paysafe Group.

Hartwig is a member of the Board of the European Payment Institutions Federation (EPIF) and is the Chair of EPIF's Technical Committee. He also represents EPIF at the Digital Euro Rulebook Development Group (RDG) at the European Central Bank. Hartwig is also an Executive Board Member of Prepaid Verband Deutschland (PVD), the German industry association of the prepaid industry, and the Payment Innovation Forum in the UK. Further to this, Hartwig is a member of the Payment Systems Market Expert Group (PSMEG), advising the European Commission on financial services and payments policy matters.

He holds a PhD in law from the University of Graz. He is the author and co-author of numerous publications.
