**Payments Policy,
EMEA Public Policy,
Stripe**

Julia is responsible for Payments Policy in Stripe's EMEA Public Policy team. As a financial infrastructure platform, Stripe helps millions of companies—from the world's largest enterprises to the most ambitious startups—to accept payments, grow their revenue, and accelerate new business opportunities.

Julia has a background in financial services and has previously held regulatory, credit and payment roles at the Bank of England and the Federal Reserve.

Before joining Stripe, she spent several years in the financial markets and macroeconomic divisions of the German Federal Ministry of Finance.

She holds postgraduate degrees in Public Policy and Development Economics.
