

## **Konstantinos Maragkakis**

**EEA CEO & Director  
Paysafe**

Konstantinos has been working with the Paysafe Group since 2015 on regulatory matters related to the offer of eCash in EEA markets and since 2018 Konstantinos is based in Dublin as the CEO of the eCash business entity in the EEA authorized by the Central Bank of Ireland.

Since April 2022, Konstantinos has been the CEO of the Digital Wallets / Acquiring / Issuing regulated entity for the Paysafe Group in the EEA. He is also Chair of the EPIF Anti Money Laundering (AML) Task Force and represents EPIF in the European Retail Payments Board and related Working Groups of the ERPB.

Konstantinos Maragkakis is a business executive with extensive experience in corporate governance and regulatory affairs and has specialized over the last 8 years in e-payments regulatory framework at the EEA and national level.

Konstantinos holds an MA in Political Economy of the EU from the University of Athens, Greece, and an MBA from the Solvay Business School in Brussels.
