

Marcel Trik

**Managing Director
and Chief Operating
Officer, Yoursafe**

As Managing Director and Chief Operating Officer, Marcel is responsible for the internal processes within the organization including all payments, support, compliance, legal and regulatory matters that involve the entire Yoursafe organization.

Marcel is involved in all communication, decision making and compliance responsibilities that relate to the EMI-license of Yoursafe and has been executive board member of EPIF since 2011, representing EPIF's corporate members.

In November 2008, Marcel joined the Verotel Board of directors to lead the PI-application. In February 2011, Verotel acquired its PI license and in October 2019 this was changed to an EMI license and recently was rebranded to Yoursafe. Marcel studied Economics and Business Economics in the Netherlands.

In his personal life, Marcel is the father of two pretty daughters of 9 and 13, loves to watch them play field hockey and actively plays tennis and indoor soccer himself.
