

**Teresa  
Mesquita**

**Chief Marketing &  
Product Officer,  
SIBS**

Teresa Mesquita has been Chief Marketing & Product Officer at SIBS since January 2021, a position she combines with that of member of the Board of Directors of SIBS International since August of that same year.

With almost 20 years of experience in the payments area, Teresa Mesquita held several roles at SIBS in national and international areas such as Product Management Director, where she led the launch of digital payments initiatives such as MB WAY and instant payments.

She currently collaborates with several national and international payment forums such as the Payments Forum of the Bank of Portugal, the Market Advisory Group for the Digital Euro, of the European Central Bank, and is a board member of the European Mobile Payment System Association.

She has a degree in Applied Mathematics and Computing from Instituto Superior Técnico, and has an Executive MBA in Management from AESE/IESE Business School.
